

Module Resources

You may want to **compare your code to mine** (e.g. to find + fix errors).

Finished Code on CodeSandbox: <https://codesandbox.io/s/javascript-refresher-j56djd>

You also find the **finished code snapshot** for this module here in this Github repository: <https://github.com/academind/react-complete-guide-code/tree/02-js-refresher>

Usage instructions can be found on the page that link is leading to.

You also find **section slides** (if available) in that Github repository.
